

PIERRE J. MARIE

Title: Director of research at CNRS (National center of Scientific Research), Head of the Laboratory on Osteoblast Biology and Pathology

Institution: National Institute of Health and Medical research (Inserm) UMR 606 and University Paris Diderot, Paris, France

Memberships: ASBMR, IBMS, ECTS, ESE, ASM

Publications: 185 papers in peer-reviewed journals, 115 chapters/reviews, 1 book

Honors: Member, ECTS Board of Directors, 2007-present; Chairman, ECTS Grant Committee, 2006-present; Member, Scientific Council, Dental Surgery Faculty, University Paris 5, 2006-2009; Member, Scientific Council, Faculty of Medicine, University Paris Diderot, 2009-present; Recipient of Society of Clinical Biology Research Award, 1984; Recipient of P&G Bone Diseases Research Award, 1989; Recipient of Minerals and Nutrition Research Award, Danone, 2001; Recipient of the French National Academy of Medicine Award, 2008.

Society Participation: Member, ECTS Program Committee, 2002-Present; Member, IBMS Program Committee, 2008, 2010; Member, Editorial Board, *Bone*, 1990-present; *Calcified Tissue international*, 2005-present; Associate Editor, *Arch. Biochem. Biophys.*, 2008; Editor, *European Journal of Endocrinology*, 2006-present.

Professional Interests: Osteoblast biology and pathology, mechanisms involved in metabolic, physical and genetic bone diseases, effects of strontium on bone.

Specific Ideas about the Future of the Society and your Role in it:

- Help to promote excellence in basic and clinical research.
- Strengthen the relationships with other societies with similar interests.
- To promote membership of young investigators
- To stimulate scientific education and scientific exchanges between membership.
