Instructions for Award Nomination:

Eligibility:

- Professional status of nominee should be at a level of 2 years post-doctoral fellow or resident up to no more than 2 years as Assistant Professor as of March 1 of the current year.

Note: ASBMR Harold M. Frost Young Investigator Awards are open to ASBMR members and nonmembers.

Grant:

The ASBMR will provide \$1,500 to six young investigators to attend the Sun Valley Workshop on Skeletal Biology in Sun Valley, Idaho, USA, August 1-4, 2010. This program is intended to stimulate young investigator participation in the Sun Valley Meeting by providing the opportunity for presentation of their research

The six young investigators who receive ASBMR Harold M. Frost Young Investigator Awards are required to present their research during a 15 minute presentation with an additional 10 minutes for detailed discussion at the Sun Valley Workshop on Skeletal Tissue Biology. The meeting registration fee is waived for awardees, but they are expected to make their own arrangements for travel and accommodations. The \$1,500 awards are presented as a component of the meeting.

Before you submit:
